* [redacted] Comment. The motor vehicle shipments on 31 May and 8 June to Bindersleben were probably destined for the Erfurt-Bindersleben airfield. The shipment on 8 June probably was a shipment of two motor vehicles from Aken which was previously reported. [redacted]

** [redacted] Comment. The average of cars required during the period decreased to 15 cars per day as compared with 22 cars in the previous report. Nothing unusual was observed.
